

JOB OPPORTUNITY NO # I13022

Title: IT Analyst -Full time

KALEN LIMITED

PSSSF Commercial Complex, Sam Nujoma Road, Dar es Salaam,
Tanzania

Deadline: March 28, 2024

Description

Kalen Limited is looking for IT analyst to join our team in Dar es Salaam. In this role, you should be highly analytical and able to understand business needs. Excellent communication skills and problem-solving abilities are essential. If you also have hands-on experience with technical projects, we'd like to meet you.

Qualifications

- Bachelor's/ Master's degree in Computer Science/Engineering or Information Technology/Project Management or related field
- Relevant certification will be an added advantage

Responsibilities

- Communicate with stakeholders to understand their requirements
- Develop and analyze functional specifications
- Design efficient IT systems to meet business and technology needs
- Coordinate developers to build and implement technology solutions
- Integrate multiple systems and reconcile needs of different teams
- Gather feedback from end users about system performance
- Plan and oversee projects (e.g. development, testing, software installations)
- Provide advice, technical training and deliver presentation
- Keep abreast of technology trends and developments

Requirement and Skills

- 4+ years of proven working experience as an IT Analyst, IT Consultant or similar role
- Excellent presentation skills
- Experience in Requirement Analysis and Documentation
- Knowledge of databases and software development
- Experience of key systems development lifecycle methods including Agile methodology
- Able to deliver under pressure, prioritizing work against competing demands to meet
- Ability and willingness to travel

How to Apply
