

JOB OPPORTUNITY NO # I130224

Title: IT Analyst - Full time

KALEN LIMITED

PSSSF Commercial Complex, Sam Nujoma Road, Dar es Salaam,
Tanzania

Deadline: December 20, 2024 12:00 PM Time

Description

Kalen Limited is looking for IT analyst to join our team in Dar es Salaam. In this role, you should be highly analytical and able to understand business needs. Excellent communication skills and problem-solving abilities are essential. If you also have hands-on experience with technical projects, we'd like to meet you.

Qualifications

- Bachelor's/ Master's degree in Computer Science/Engineering or Information Technology/Project Management or related field
- Professional certification in business analysis such as a CBAP or its equivalent is an added advantage.

Responsibilities

- Conduct needs analysis and baseline studies
- Communicate with customers to understand their requirements.
- Develop and analyze functional specifications.
- Design efficient IT systems to meet business and technology needs.
- Coordinate developers to build and implement technology solutions.
- Integrate multiple systems and reconcile needs of different teams.
- Gather feedback from end users about system performance.
- Develop requirement specification documents such as BRD, SRS and Design
- Provide advice, technical training and deliver presentation.

Requirement and Skills

- 3+ years of proven working experience as an IT Analyst, IT Consultant or similar role
- Excellent presentation skills
- Experience in Requirement Analysis and Documentation
- Knowledge of databases and software development
- Experience of key systems development lifecycle methods including Agile methodology or Scrum
- Able to deliver under pressure, prioritizing work against competing demands to meet
- Ability and willingness to travel
